

## **Important Notice to Worldwide Distributed (GRID) Computing**

### **Getting a digital certificate**

Participating in the exercises will require to have a personal digital certificate proving your identity issued by the German "GridKa CA" <https://gridka-ca.kit.edu/>

We will provide the necessary paperwork during the first term on **October, 18th**. If you can't participate in that, please come to my office (D-09.03) and pick up the documents.

The ID checks will be done during the term on **October, 25th**. **Please bring the completed provided form and your passport!!**

### **Start date**

The lecture itself will start on Oct 25th, on Oct 18th the forms mentioned above are being distributed
