

Name: Matr. No.:

Place of Birth: Date of Birth:

Statement

I declare that I have read and understood the examination regulations of the MSc study programme "Computer Simulation in Science" (CSiS) PO 2020.

Referring to PO2020 §9, I certify that

- I have not definitively failed any examination required by these examination regulations, and nor at a university within the domain of the German Constitutional Law.*
- I am not currently involved in an examination procedure in the same degree programme, in any related or comparable degree programmes.*

I apply

- for English translations of the master certificate, the master's examinations report and the diploma supplement.
